“2011 Exelon Supplier of the Year”

Enterprise Solutions**About Alpha:**

Alpha Enterprise Group (“Alpha” a/k/a Alpha Office Supplies, Inc.,) was founded in 1985. A minority-owned small business, Alpha is committed to excellence including utilizing continuous improvement processes with focus on meeting/exceeding customer requirements. With anticipated growth in minority businesses and increased purchasing power, the most promising opportunity to explore new markets will be through supplier diversity.

It is important to Alpha that the corporate community develop strategies to gain and maintain long term sustainability. Alpha is committed to identifying and establishing key partnerships within the global business community with select companies.

A partnership program can be developed where companies can leverage their combined networks to enhance the suite of services being offered. This collaboration allows for diverse relationship-building and in depth product/service offerings.
